Teaching

Modality Key: [None] Face-to-Face; *Asynchronous Online; **Synchronous Online; ***Sync/Async Blend Online

UNIVERSITY OF THE PACIFIC

Fall 2019 – Present

COMM 025: Introduction to Communication Studies (1 section; 1 section**)

Description: Course offers a survey overview of the Communication discipline, focusing on four main areas: Rhetoric; Empirical Social Science; Media & Technology; and Critical/Cultural Studies.

COMM 027: Public Speaking (4 lecture sections; 2 lecture sections*)

Description: Course offers students basic training in effective public speaking. Students form, deliver, and evaluate speeches on civically engaging topics.

COMM 050: Communication Technologies (2 sections, 1 section*, 1 section***)

Description: Course details theories and applications of communication technologies, focusing on digital media platforms. Students learn critical concepts as well as skills in web design, image and audio editing, and social media.

PACS 001: Pacific Seminar – What is a Good Society? (1 section)

Description: Course provides a first-year writing experience for all students at University of the Pacific. The course involves significant reading and writing as an introduction to college learning.

COMM 293A: Communication Technologies and Social Change (1 section**)

Description: This graduate seminar, developed for Spring 2021, examines how communication technologies intersect with social change. Focusing on social justice and race in communication technologies, the seminar trains students in critical, textual, and rhetorical analyses of technologies.

PENN STATE UNIVERSITY

Summer 2013 – Summer 2019

CAS 100A: Effective Speech (9 sections)

Description: Course develops effective skills in public speaking. Students form, deliver, and evaluate speeches on civically engaging topics.

CAS 100B: Group Communication (3 sections, 1 section*)

Description: Course develops group communication skills through deliberative models of communication and interpersonal communication theories.

CAS 100C: Message Analysis (3 sections*)

Description: Course develops skills in public speaking through the emphasis of critique, similar to a basic rhetorical criticism course.

CAS 175: Persuasion and Propaganda (TA, 2 sections)

Description: Course teaches the historical development of propaganda in the 20th and 21st centuries.

CAS 215: Argumentation (1 section)

Description: Course teaches principles and theories of argumentation, culminating in a debate showcasing student skills.

CAS 395: Forensic Practicum (3 sections)

Description: Course provides assessment mechanisms for students participating in speech and debate, including attendance at practices and public debate functions.
